

THE BROADWAY COALITION MISSION STATEMENT

The Mission of the Coalition is to educate and organize citizens of Tucson to guide planners and implementers of the PIMA COUNTY REGIONAL TRANSPORTATION PLAN Project 17 (The Broadway Corridor) to improve Broadway Boulevard between Euclid and Country Club within the existing right-of-way and thereby make the roadway as efficient as possible without causing the demolition of historic structures and displacement of viable small businesses that contribute to the culture and commerce of the community. Widening the street would worsen air quality and increase noise in adjoining neighborhoods. It would tend to isolate the residents of adjoining neighborhoods from each other and discourage their common use of their streets, open spaces, recreational, commercial and educational facilities. Walking and bicycling across the widened street would be more hazardous, especially for the young, elderly and people with special needs. The Coalition urges citizens who value Tucson's urban core to protest the doubling of the width of Broadway between Euclid and Country Club.
