Meeting Notes
October 12, 2020

Colby presented an overview of the PAD application, proposed uses, heights etc and a draft list of neighborhood asks in response. Melody asked that sustainability elements be added to the list of asks. Colby made a motion to authorize up to \$2,500 for attorney and consultant fees related to the PAD negotiations. Lee seconded the motion. The intent would be to pay \$2,000 for the attorney initially and hold \$500 in reserve for additional consultant or attorney costs. The motion passed unanimously.
